Ref: ISA/CIR/2021-2022/22

21/09/2021

Dear Parents
Greetings!

Please note that as per ADEK instructions, the students are not permitted to change their mode of learning from FTF to Online or vice-versa w.e.f Sunday, 26th September 2021.

Therefore, you are requested to finalize the mode of learning for your ward/s before 26th September 2021. In case of any emergency reasons, a change of learning platform will be possible only with prior approval from the Principal, without which the concerned student will be marked absent.

However, we will appreciate and prefer if all students of Gr 9 to 12 attend the school physically w.e.f Sunday, 26th September 2021, as this will help them to improve their performance in the forthcoming CBSE Examination. Kindly permit and encourage your ward to attend the school physically.

Further, please note that we will be arranging their individual photographs in school in order to complete the CBSE registration formalities by 27th September 2021.

It may also be noted that any student who will be attending the school for the first time should have **96-hour PCR test result** done from outside and shown at the entry point of the campus.

Thanking you for your co-operation

Neelam Upadhyay
