THEME OF THE MONTH

PEOPLE WHO HELP US

Teaching young children about community helpers is a for a good reason. Young kids love to dress up and do what they see adults do.

FOOD

Learning and understanding about nutrition is essential for good health. Teaching children about nutrition when they are young will help them to maintain healthy habits through adulthood. This theme will also cover other important elements of good health, such as sleep and exercise

The objective of this theme is to teach children how important nutrition and good habits are in helping to keep them healthy. They will learn about the importance of healthy eating, exercise, sleep, and hygiene.
