THEME FOR THE MONTH-
DENTAL HEALTH

Dental Health Posters

| | | | |
|--|---|---|--|
| <p>Dental Health</p> | <p>Dentist Office</p> <p>Get Your Teeth Checked Twice Yearly!</p> | <p>Brush Your Teeth Each Morning</p> | <p>Brush Your Teeth Each Night Before Going To Bed</p> |
| <p>Don't Forget To Floss Your Teeth!</p> | <p>Remember To Use Toothpaste!</p> | <p>Brush Your Teeth For 2-3 Minutes</p> | <p>Use A Toothbrush With Soft Bristles</p> <p>Replace Your Toothbrush Every 3 Months</p> |

Dental health theme helps children develop good oral health habits that can last a lifetime! This theme helps children understand the importance of their teeth. Provides basic information, appropriate to their age and experience, about keeping teeth clean and healthy. Introduces the dentist as a friendly doctor who helps them take care of their teeth. Helps children understand what food are good for our teeth and what are not. Helps students recreate the model of teeth.
